

Sanctuary

A Soul Song for Safety & Wellbeing

You are the sanctuary.
You are the Light.
You are safe... You are safe...

Inside my Heart, the temple glows
Where every breath of safety flows
I call in Light, and it wraps me whole
A living shield, renews my soul

I am safe...(I am safe...)

Sanctuary...Love is the Key
Sanctuary... I am safe, I am free
Sanctuary... no fear, no fright
Just Love... Grace... and Holy Light
Holy Light... (holy light...)

Each breath returns the Truth I seek
That Light flows through my crown to feet
I feel the shift, the sacred flame
Holy fire rising, as Love takes aim.

Love is the key...
I am free...

No fear or pain can find me
No sickness will define me
I walk in the Sovereign Flame
My health is now reclaimed

No fear remains...
Love has broken the chains...

Sanctuary... Love is the Key
Sanctuary... I am safe, I am free
Sanctuary... no fear, no fright
Just Love... Grace... and Holy Light

Holy Light... (holy light...)
Holy Light... (holy light...)
